## ABOUT THE COLLEGE:

Jayarani Arts and Science College has evolved so resplendently as a meritorious centre of learning, exclusively for women, at the rear of Jayarani Educational Institutions. Our Congregation entitled FIHM witnessed its inception by virtue of the sagacity of our Founder **Rev. Fr. Louis Savinien Dupuis**, who laid the foundation stone for it on 16<sup>th</sup> October 1844 in Pondicherry. Since then, with the torrential blessings of our Patroness Immaculate Heart of Mary, our Congregation has been elevating the stature of women, thus making them stride in a progressive path by dint of educational institutions in India and abroad. Our Congregation, that has been fulfilling the glorified mission '**Sanctification of Sisters for the Sanctification of Women**' by enthroning love and sacrifice as its gracious hall mark, has now erected a women's college to give an edge to the female gender to shine in their lives, in response to the long cherished wish of the commoners inhabiting the vicinity of Nethimedu.

This is a special invitation to all the girl children with +2 eligibility to transfigure themselves at **Jayarani Arts and Science College for Women**, which is going to evolve under the auspices of our Mother Jayarani to bestow a prosperous future by edifying the girl children with standard education and creditable values. This college which upholds the motto '**Enlighten & Empower**' is awaiting to shape the individuals as wholesome personalities who would strive for multifarious goals by accomplishing great feats and redefining the potential in different skills.

With a great delight, we fondly invite all the aspiring girls to pursue higher education under the able guidance of quality professors in a nature-thriving ambience at **Jayarani Arts and Science College for Women** which has all facilities by fine-tuning itself in accordance with the exigencies of time.

**Educating Today – Shaping Tomorrow**

We educate young women today so that they can shape tomorrow.
